

# Business Owner Policy Insurance

## Comprehensive Protection for Small Businesses

A Business Owner Policy (BOP) combines commercial property and business liability insurance into one insurance policy. BOP insurance helps cover your business from claims resulting from things like fire, theft or other covered disasters. These include claims of bodily injury or property damage, and also claims related to personal and advertising injury.

### Who needs a Business Owner Policy :

- ▶ You have a physical location
- ▶ There's a possibility of getting sued
- ▶ You have assets that could get stolen or damaged
